

The Color-Coded Clock

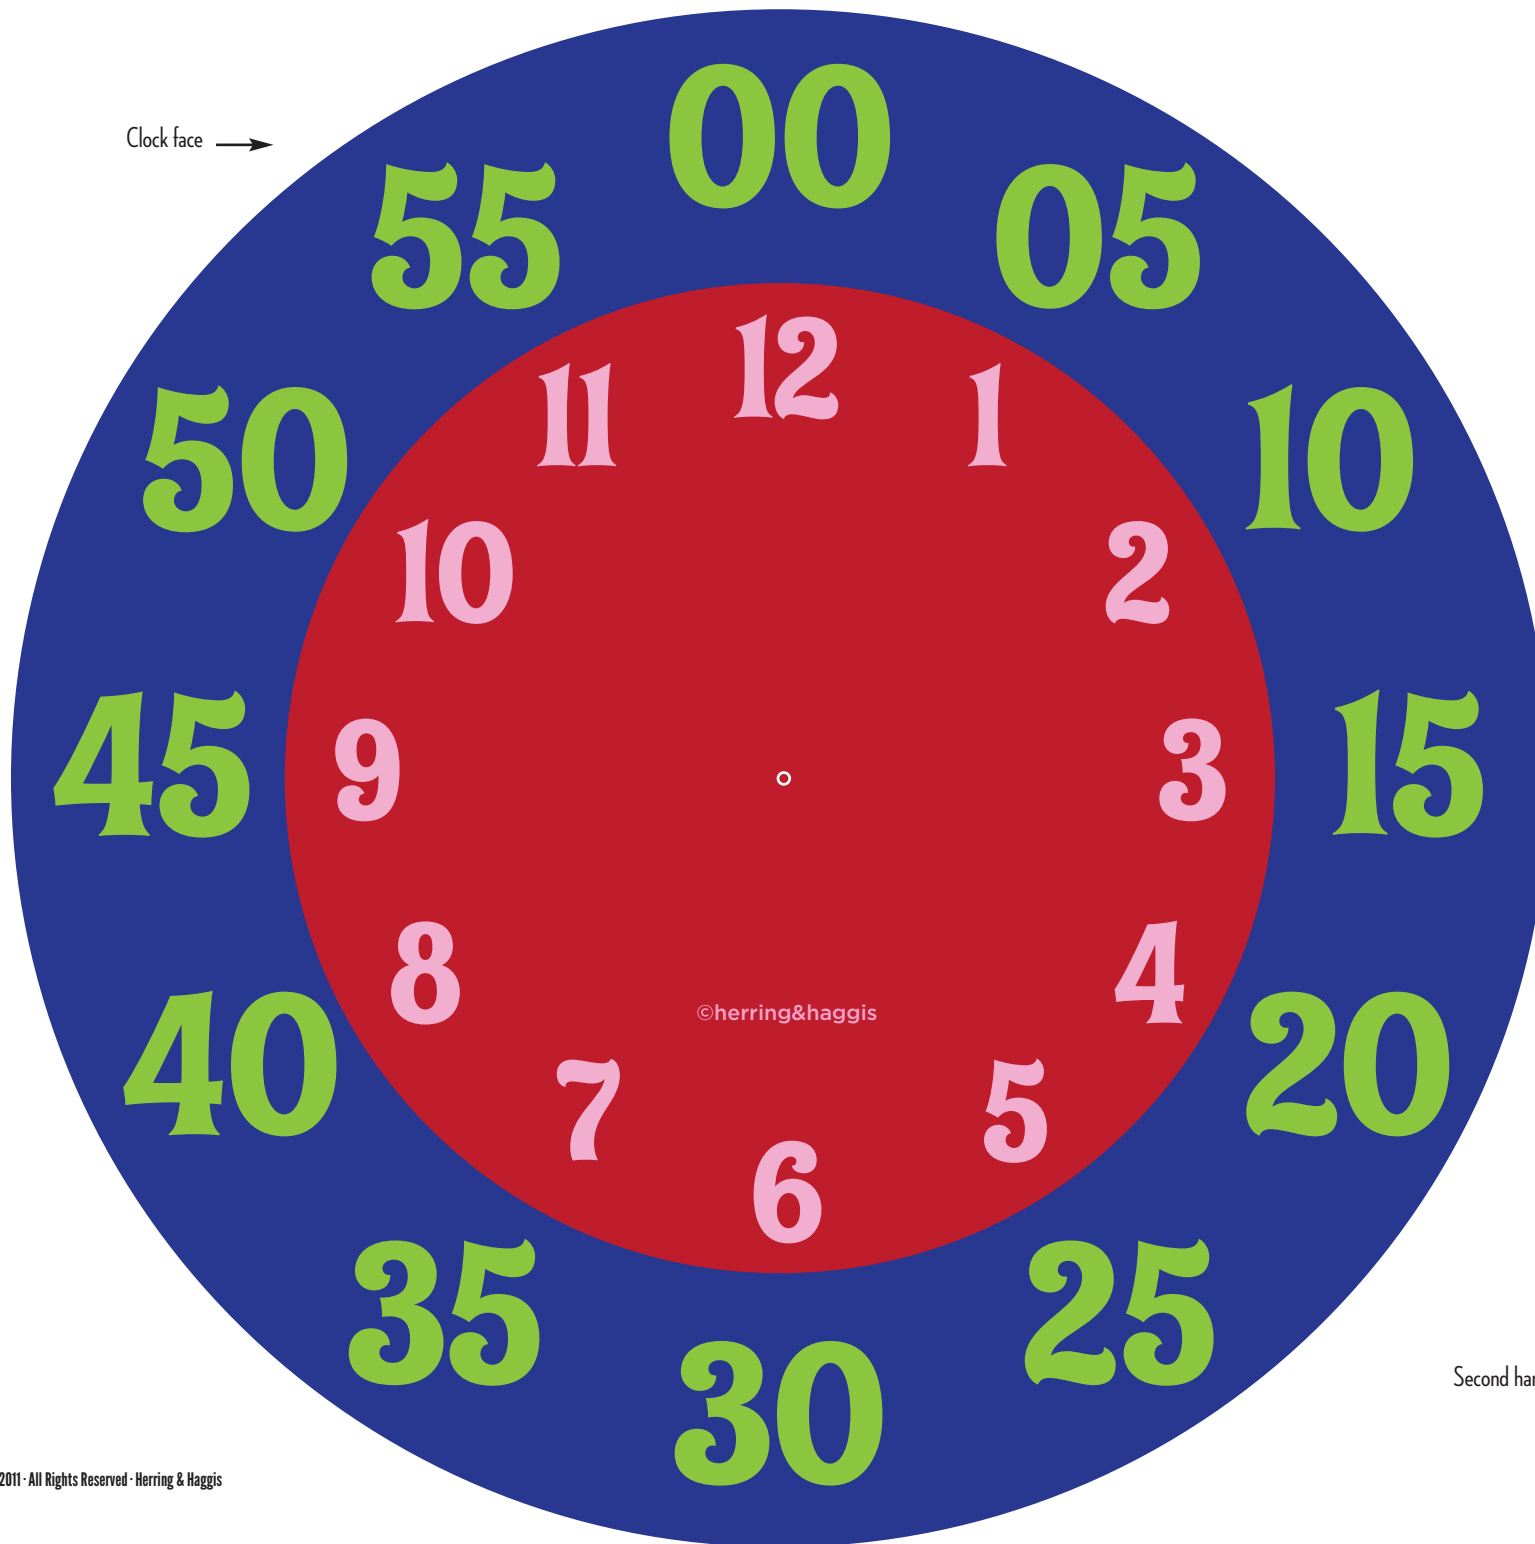

Supplies needed to build the Clock:

- 1 (one) brass fastener
- scissors
- color printer
- 8.5"x11" white paper: *For a sturdier clock use a thicker paper stock!*

Assembly of the Clock:

- 1) Print this pdf
- 2) Cut out the clock face and clock hands with the scissors
- 3) Fasten the clock hands to the clock face with the brass fastener
in the following order, from top to bottom:
 - a) second hand
 - b) hour hand
 - c) minute hand

Voilà! Your clock is done!
